Please be considerate of our Staff in adhering to SAC drop-off and pick-up times. If a family member, guardian or authorized adult will be more than 10 minutes late, it is their responsibility to call Security at (937) 223-5277 ext. 120 as soon as possible to notify us.

If you are more than 45 minutes late, your child will be supervised by a member of the DAI's Security Staff and a late fee of \$25 for every thirty minutes will be applied, except in matters of an extreme emergency.

What Campers Should Bring

Please send your child to each SAC session with the following items. All items should be labeled with the child's name.

-Refillable water bottle

Please do not bring: valuables, excessive jewelry, toys, cards, games, cameras, electronics (cell phones, iPods, iPads, personal game or listening devices).

If a phone is necessary, it is expected that it remains off in a camper's bag during sessions. If you need to get a message to your child during a session, please call the SAC Administrator or DAI Security line. DAI is not responsible for any phones, electronic devices or any other valuables brought to SAC.

What Campers Should Wear

SAC may get messy! Please have your camper dress for mess. Staff will make every effort to keep campers neat and clean, but campers should wear clothing that can get dirty. Also, campers may want to bring a sweater or sweatshirt in case they feel cold while visiting the museum's galleries. Please label your child's clothing with their name.

Lunches and Snacks

DAI does not provide snacks or lunches for campers.

HEALTH & SAFETY

Camper Registration Form

The Camper Registration Form is completed and submitted during your online registration. The Camper Registration Form must be filled out for each session and each week of camp. If any information is missing from your online form, the SAC Administrator will contact you to obtain the missing information. Your child cannot be admitted to SAC if this information is incomplete.

Camper registration form is critical to the museum in providing the most engaging and safest experience for all. Please ensure that you have provided to us all necessary information about a child's health, allergies, or special needs and accommodations as necessary. All information is confidential but may be made available to SAC Staff to help provide the best care for your child. The more information we have about your child's individual needs, the better able to meet their needs and make the SAC environment safe and enjoyable for all.

Medication

It is critical to provide information about allergy and/or emergency allergy medication (such as EpiPens or asthma inhalers, etc.) that your child will be taking while at SAC. SAC Staff CANNOT administer any medication to campers, with exception to EpiPen and in the event of severe allergic reaction. Campers are expected to take their medications independently.

Sick Campers, Injuries and First Aid

While at SAC, campers should be well enough to participate in all programming. If your child is suspected of becoming ill, you will be asked to pick up your child immediately. Sick campers will be supervised in our education offices until they can be picked up.

First Aid and Emergency Care

Our Security Team is trained and certified in CPR and First Aid. They are the sole individuals capable of administering any First Aid should an accident occur. Should First Aid occur, SAC Staff will contact the family/guardian as soon as possible or we will seek to contact individuals listed as emergency contacts until successful in speaking to someone.

Emergency care will be provided only where necessary and only after every attempt has been made first to contact the family members/guardians, with the exception of EpiPens and CPR. In an emergency requiring immediate medical attention, 911 will be called and your child will be taken to the nearest hospital emergency room. You will be responsible for the resulting treatment and payment.

Behavior Policy

We welcome all children at DAI Summer Art Camp and strive to support each camper. SAC Staff is trained to model and implement age-appropriate behavior management and reflective communication. We encourage self-regulation, self-direction, responsibility, respect, and cooperation. Staff makes every effort to provide behavioral support to any camper demonstrating a need or disrupting camp. Open communication between family members/guardians and DAI Staff is key for effective behavior management.

Extremely disruptive or physically aggressive behavior will not be tolerated. Disruptive camp behavior will be addressed by DAI Staff or Instructors. Family members/guardians may be called to pick-up their camper for the remainder of the day if behavior does not improve. DAI reserves the right to require a disruptive camper to withdraw from remainder of the camp entirely and if such situation occurs, no refund for the remainder will be issued.
